

# ARCD Chipping Program

## Pile Specifications

- The no-no's:**
- broom varieties
  - rose/berry vines
  - pine cones
  - pine needles
  - wood stumps
  - rocks

Limb trunk diameter no bigger than 7"

Branches or limbs need to be stacked with the truck facing the road.  
Tractor-loaded or tangled piles will not be chipped.

Per location and landowners discretion, piles may be one continuous, long pile, or broken up into separate piles
